What the... how the hell did this happen!?
I thought Nobunaga's soul was in Onime no Kyo's body!!
Now he's in the body of Yuya-neechan's older brother!? What happened to Onime no Kyo's body!?
What... what did you do with Nozomu-niisama!?
No... no...
I... I don't know how it's possible, but I can see it with my own eyes, so it must be true...
N... Nozomu-niisama!! Nozomu-niisama!! Speak to me!! Nozomu-niisama!!
Nozomu -niisama !!
GAH ...
YUYA !!
Shut the hell up, woman...
His body is reacting to your goddamned voice... damn it...

I won't allow it!!
KY AA!! AH !!
ゴオ
AH !!
No... that's...
this rate, if Nobunaga goes out of control, Nozomu's soul will be destroyed...
It's no use... his soul is too strong... Nobunaga has taken over...
...HISHIGI!!
And I know *he's* involved somehow... how long is he going to hide himself...?
How... how could this happen!? A shaman like him, being treated like a doll...

Hehehe... This body is even better than I thought... almost too good...
But even now, he denies any knowledge of the secret...
But it's just a matter of time before I consume his soul...
He knew the truth...and soon his memories, along with the secret of the Mibu, will be mine!!
I'll consume him entirely !!
With the secret that even the Taishirou don't know as my advantage, the Mibu will bow to me!! The world will be mine!!

His hatred for the Mibu Clan and Mibu Kyoshiro was such that...
He gave up his own soul and called me forth from the depths of hell, so that I may lend my power to his goals!
Whose memories is he talking about!?
...Even the Taishiurou don't know
And that was...
He wanted one thing... hehehe...
You, the man who ruined his life...
But there's someone he hated above all others. Do you know who that is? It's you, Kyo...
Nii-sama... hated Kyoshiro...?

Tenma Mukurode!!!
What the hell is that!?
Mumyou Jinpuu Ryuu Ougi - Suzaku!!

ゴゴゴ
ゴゴゴ
But that was only a test...
I see you've grown...

He... he...
He withstood Onime no Kyo's Suzaku!? And that was just a test...!!
He's way stronger than he was in the Sea of Trees!!
This is fun... so very fun, Kyo...
HE HE HE ...
HAHAHA!! You've improved, Kyo... so much stronger!!
But you're stronger... because you have to be!! Otherwise, I'll crush you!!
Ah, that's right...
This is the fourth time we've been through this, Nobunaga...
AH !!
He's even crazier!!

You've given me a reason to continue living... so it's four times, now...
... But this is the last!!
Rule the world!?
Huh!? They want to do *what*!?
...What is he saying!?
There has always been a grudge between them... they both want to rule the world.

And of course Kyo rules the country then as the second strongest person in the world I bet right anybody who opposes him
I mean it's just logical right? The strongest man in the world has to stand at the top he has to unite everything under him
Ruling the world? I didn't expect that
But Hotaru!!
Okay then I'm the strongest
What are you talking about Hotaru!? Obviously I'm the second strongest!!!
But I'm the second strongest And eventually I'll be number one
I didn't think you were the type to worry about social status, Kyo
If you want to rule the world you've got to get your act together You've to fight
A loser like that who just sits around waiting for the battle to start how's he gonna rule the world? And that Akito doesn't know what he's talking about
Always so evasive Don't be like that let's plan our future together
I don't really care about that
It's stupid to wait around

"Fight for your own sake" yeah That's what the man who taught me the true meaning of battle said
And... I never could beat him.
You talk a lot for a dumb animal I'll kill you
Ooh Ihit a nerve You've got muscles for brains !!
Hey Who are you calling a loser
Ih oh kyo s exactly that kind of guy
Who? Let s see
Hey quit acting all cool!! Come over here and I ll beat the shit out of you!!
What So Onime no kyo wants to fight his sword enemy Nobunaga so he can take over the world
I don t think so
And soon after that, we Shiseiten and Kyo faced the resurrected Nobunaga at Sekigahara

When Kyo fought Nobunaga at Sekigahara his expression was indescribably overjoyed
They say Kyo was just a kid when he fought Nobunaga at Honnou Temple
It was the same in the Sea of Trees Those two are Grinning But is that really Onime no Kyo's true reason for fighting
He was so happy
I wonder what the story to their relationship is
There's no rush but very well
I shall show you my new power
Come on Nobunaga show me what you can really do

TENMA RYOUGA KOURAN !!!

NOBU NAGA ...

Whoa that qnt

Can commun-icate with his sword!?

Take this, Kyoll

It's been so long but finally it is in my hand once more my beloved sword, Samonji...

This

What the h
It can t be he s using a shaman s spells!?

NO
But that s not poss ble Nobunaga s just a samura

Nobunaga is now #7 with his power, he can raise demon soldiers
#7 whose body Nob naga currently nhab ts s the strongest of d shamans One of h s many ab t es s to read m nds he an see the memor es of anyone he tou hes
He can even call the dead perhaps you will remember them from your forgotten past
Th they're
And you see
He can restore the mortal bodies of these lost souls

And he can even bring back those who have fallen into the land of the dead, making them into his own immortal army...

ゴオオオ
He's bringing the Juunishinshou back from the dead so they can be his zombie army !?
K 鬼眼狂

He must have rescinded Nobunaga's order. Like that, he didn't have a reason or desire to come back. He wouldn't be resurrected.
Or maybe that he had a reason to fight that.
K... KOTARO...!?
No, no way. Nozomu-nisama wouldn't have the power to do something like this.
But Nobunaga seems to have Nozomu's power completely under his control. What if Nozomu is already gone!?
Nozomu is stronger than any other shaman. A little thing like raising the dead would be nothing to him.
I know I'm dying, but I... I believe in you and I'll always be with you. That's a promise.
A reason to fight
KOTARO...
So you're back from the other side huh. But you guys aren't my enemies.

Too slow
!?
K...
KYO
!!

Now go back to hell like good little zombies!!

I won't rest until you rest in peace!!
They've already died once killing them again won't be so easy
Kyo's attacks didn't hurt
Alright
You guys just won't quit! I like that!!
!?

GAH
Che what a waste
ゴゴゴ
What!?
I see that my Juunishinshou can't stop you...
I know they're already dead but he's attacking his own people
What

I've put a lot into this entertainment won't you sit back and enjoy the show
What's wrong The Jinshoku can no longer serve me can they
This is boring
They're just clinging to life so they can obey their master's voice!?
Those poor people Can they even move with their broken bodies
That's horrible

If you can't fight, you're of no use to me Begone!!

That was not an at a
It's like taking the garbage out

It's crying!?

That's disgusting !!
Go back to hell...

How could you
They were so loyal that even after death you were still their master! They came when you called didn't they!?
How could you !?
Oh oh how could he
you you bastard
So what ?
Why should I thank pathet weak creatures who ost to you Such decei t s mere y for the benef t of the ing
What
It they had been strong
But failure in men is pathetic What meaning is left in their lives?
They would have won the battle and been rewarded
You are prisoners behind your own walls
Strength s something you must se ze for yourself as such t s the most pre ous th ng n the wor d

The strong live and the weak die... that's how it is.
Nothing more and nothing less!!
How could Nobunaga say the same
Strong people have to. Weak people don't. That's how it is.
No use whining about it
Isn't Kyo the same way... Hasn't Kyo said the same thing"
Art
What he said
KYO
So...
You never change Nobunaga you never see how wrong you are

Why don't I show you...?
What do you think...?
you want to show me what Does your body shake w th concern for mere humans or w th your hatred for me Oh On me slayer of a thousand men you d sappo nt me
KYO

But now you've lost your sense of self
The stranger you get the more pure you become
Wicked thoughts kya wicked thoughts make you weak
But I simple don't think you're qualified to walk that path any
We have both walked the blood-stained path of conquest which requires great power
Sense of what
It's good you've fallen so far...
Because I will rise to the very limits of power and once again claim my divine right to rule!! And until that day...
I don't want to hear your words
Let your sword tell me the truth !!
I haven't changed

But there's no one else like her!!
I wanted to protect her
I had to protect her!!
I want to believe
But
Kyoshiro is something troubling you ?
Then why didn't you simply come out and fight Nobunaga you did that time in the Sea of Trees
Could it be you knew that if you took over Kyo would be destroyed?
I thought he was the man you most wanted to defeat?
So why hesitate?
Kyo I need your help

K 鬼眼狂
I I'm so sorry, Yuya.
I've only ever brought you pain
O Onime no kyo
Nozomi's soul has taken over so he has his memories back

Please I'm begging you to kill Nobunaga!!
Onime no Kyo!! This is the last time I can force Nobunaga's soul aside!!

I actually m ss the days when we shamans were brought to the m bu tor research

I can t ho d out much onger Nobunaga s com ng back that contro s that Ta sh mou put n me are numb ng
Akari you

I did not learn it by chance I searched long and hard for it
I know... the Mibu Clan's great secret...
Unlimited power like the Mibu
I wanted power
I
I d dn t te Ta haku everyth ng
When Nozomu was being researched, he said something something I never heard before about the Great Mibu Secret
But that means you must have told Ta haku
The Mibu and the shamans have a long history together their powers often overlap The seed of evil began to grow within me
Why should I the strongest of all shamans be inferior to the Mibu Clan!? Why must I and those like me be lower than them!?
And so I resolved to seize the Mibu's secret
But but why !? You were always so kind and honest
NO... NOZ OMU ...

The Mibu's secret is in the Former Aka no Ou's past!
What
I who had seen what was not meant to be seen fled escape the terrified Mibu
With great power came great inspiration
I was proud and greedy a coward a
Nozomu you
So this is karma retribution
In order to take the Mibu's power, I used my power to see into the Former Aka no Ou's past
And buried within the Former Aka no Ou's past was the Mibu's greatest secret!!

Because of that... Yuya...
Being attacked by Mr. Kyoshiro having my body and power used by another
I deserved to I must reap what I have sown
I cannot forgive myself for looking at Yuya with hateful eyes
And
Don't hesitate Onime no Kyo!! Nobunaga wounded Yuya - kill us both please!!
Now!
Nozomu

She's awake !!
YU... YU YA !!

AH HH!!
Now I remember that very moment
Amaz ng k d
ゴォォ..
Boy do you know how t s that I know you are a be ng descended from heaven
You have defeated me Nobunaga
I ve changed
Fighting you has brought back memories
My aspirations of making my dreams into reality disappeared like the morning dew
When I realized this, my feelings burned my soul until there was nothing left
It was your empt ness your absence of des re Heavenly creatures have no need for des re as they are a ready at the top

Do you know what that is boy ?
I wanted to become a god too I wanted power I wanted true strength
There something greater than men, greater than samurai that one finds when one listens to his sword It can only be found in war
It is said... that it is the true meaning of battle...

So I can never die my soul is always fighting
When you defeated me I had a new dream to once again become the strongest and prove my existence
That is why I come back
I will fight again and again
And no matter how long it takes
Yeah let s do t together It we re a ser ous abut t we do t n no t me
Talk ng about that st Damn you re self centered.
Yeah we could but why It s such a waste ot t me
Why! I don t have any nterest n ru ng the world
Okay sure let's take over the world
And we'll kill anybody who gets in our way
Rule the world?

That is the dream of a warrior it's a way of life
But isn't it natural to want to be the best?
So I can show you who cannot speak to his sword who cannot find it on his own, the true meaning of battle
So again and again... I will risk my life to fight

I will win, Kyo!!!
Goodbye, Nobunaga.
Again and again, forever...

This has been fun
HEH... HEHE HE...
Someday... someday we'll fight again, Kyo...
And next time... I will win....

Yeah, come again...
However many times it takes.
NOBU NAGA
I wonder if I might have been wrong about that guy...
Nozomu...

A solitary soul who lost himself in battle...

Nobunaga was kind of like us... trying to be pure... trying to find real strength...

He was a bloodthirsty demon, who called himself the sixth demon king his beliefs and his ways were different from ours and I think our very way of life was totally different but

He and Onime no Kyo both said they were fighting only for themselves | but I get the feeling that was only part of it |

And it gives me this hot feeling deep in my heart

But those guys who are so pure that they chase a dream and fight to be the best it's like they're on fire

Kyo beat Nobunaga...!!
KYO
鬼眼狂
How did Onime no Kyo get his body back so suddenly...!?
But...
That's the real Onime no Kyo... you can't even compare anything else to that. He can't speak to his sword but with power like that I wonder if he can actually take on the Tachibana and the former Akaina Du
Kyo

I'd sell my soul to move up in this world There's nothing better than that
But then I almost fell into the same trap But someone stopped me...
NOZOMU
You're so stupid Why did you want the Awful power
Is that what happened Nozomu?
What did you see in his past
Nozomu said that he found the Mibu Clan's great secret in the memories of the Former Aka no Ou... and Nobunaga said that even Hishigi and the other Taishirou don't know it...
secret is it!?
person who
it is dead
everythi
into darkne
No! That c
true... or
Come on Yuya-chan you can do it just a little more
Ah Now isn't the time to get lost in thoughts
But what if Yuya-chan heard the secret from Nozomu?
I didn't tell the secret to anyone so...
YUYA
YU

She she's not breathing!?
It hurts
I deserved to be killed by Mibu Kyoshiro it was my fate
In my selfish quest for power I searched for the Mibu's great secret
No !! Nii-sama please don't die !!
It hurts Nii-sama I can't breathe
I m so sorry
Ah!! It doesn't hurt anymore
It hurts

Nii-sama!!
What! Go where! We're finally together! Let's just stay here a bit
I can't go with you. I just wanted to see you one last time
You're alright!! Thank goodness
Eww Nii-sama you're being so weird and formal
Like I never see you again
Yuya
...
Wh whatever kind of person he was that doesn't change the fact that he's my brother!!
Yuya Yuya when you say that it makes me sad
Yuya you're not a little girl anymore You've grown into such a strong beautiful and kind young woman you'll be alright without me

I love you, Nii-sama!!
We can be together from now on...!!
But I want you to be happy
Thank you I m so happy that I got a chance to meet you yuya
YUYA...
Huh?! Nii-sama where are you going!?

Nii-sama

So go back quickly
It s not time for you to come with me yet
Nii-sama!!

Thank goodness she's breathing again!!
Yuya-chan... Yuya-chan!! Hold on!!
Damn it What am I supposed to do?
It's no use I think Nobunaga used some kind of magic that keeps the wound from closing
What
Akari do something you're the only one who can
Yuya-neechan Damn it Why won't she open her eyes? We can't heal that wound and she's barely breathing
I'm trying but

Yuya-chan!! Can you hear me!? Yuya-chan!!
This is bad she doesn't look so good
Yuya-chan
Yuya-chan!! Hold on! Come on you've got to try!!
YUYA !!

Onime no Kyo!?

What
but
how
?

If Onime no Kyo is back in Mibu Kyoshiro's body, then Kyo's body should be empty.
How is he moving!?
Who's in Kyo's body!?
Who is that!?
From the beginning this has been planned
Since four years ago when I sealed your body
All has gone according to plan
This feeling it can't be
S...SASUKE!!
GArt!!
What..

If I end this quickly it will prevent greater bloodshed
In the past I have avoided this confrontation
you bastard
Shibien is... Shibien is having a violent reaction to him. That is...
But now
Without a doubt
That man in Onime no Kyo's body is...
I won't run anymore.

I have decided... that I will take custody of this body and of Yuya-san...

MIBU... KYOSHIRO ...!!

But how!?
What!?
Somehow Onime no Kyo's soul and Mibu Kyoshiro's soul changed places!!
I'm afraid that's not possible you're no match for me now
Basically
Kyoshiro give me back my body so I can kill you
What just happened Did Mibu Kyoshiro do this
What the

You were doing so poorly that I lent you this body temporarily.
But unfortunately, I cannot let you have it back. ...I promised the Former Aka no Ou.
What!?
When did he...!?
!?
Yes, many times. I spoke from the heart...
...Because I will do anything to save Yuya-san.
You promised... the Former Aka no ou!? Kyoshiro, you've met with him!?
YUYA...
Bastard!! Give her back!!
But don't worry... I've made up my mind...
What a terrible wound... I can only imagine how it must hurt... I'm sorry. My determination alone was not enough...
He... he looked at Yuya-neechan with such kind eyes...
M... MIBU... KYOSHIRO...

She's not yours to take!!
GRR !!
...I cannot trust you with Yuya-san.
...That's enough. Please behave yourself. I don't want you injuring Yuya-san.
He stopped Onime no Kyo's punch like it was nothing ...!?
What...?

Quit fucking around, you stuck-up asshole...
You ran from the Mibu... you ran from me... you even run from yourself!!
...Why are you crying, Kyoshiro...?
AH...?
At that time, four years ago...
What you said is true...
That's true, Kyo...
Four years ago, after I had defeated you, I couldn't keep my composure... I had sealed your body, but that was only the beginning...
There was blood... so much blood surrounding that body...
And Yuya-san... was swallowed up by it...
Very well then, Kyoshiro... if I lend you Kyo's body for a bit, then perhaps next time you'll remember your promise to me?
That is why I have decided that I will not run anymore.

Bastard... there's no way...

Wh... what!? Mibu Kyoshiro is...

So that I may be the legitimate successor to the throne...

You were best suited to the position, but we conspired to steal your body.

I swore an oath to the Former Aka no Ou... another promise...

The idea god of all creation... your body and my soul... I will be lord of this world!!

So that I may be the next Aka no Ou...
